

Report of Careers in 21st Century

Out of box thinking is need of the hour. App development is no more in demand by the modern employers. Knowledge experience imagination and creativity are required by the candidates when they apply for the job. Said Mr. NinadPanse CEO, Skilling and Education at AP Globale a Sakal Media Group company, Pune. He was addressing to the students of TYBCOM and BCA of GVMs commerce college and TYBA students of PES college of Arts Science and commerce Farmagudi Ponda. Further he highlighted 4 important risks for the commerce students namely Finance, Production, Accounts and HR. According to him, interdisciplinary model is a good sign of NEP for the future generation. Artificial intelligence, General knowledge and Common sense are required qualification of the candidates expected by the employers. 21st Century is meant for Entrepreneurs with a slogan of employment providers then the seekers. He requested the students to develop habit of questions asking instead of listening and agreeing for everything. According to him data science knowledge is must for computer students. They should know what to do with the data rather than how to collect the data. He highlighted what leaders and companies are looking for in employees and how to prepare by the candidates to get a good job with a handsome salary. Mr. NinadPanse answered the various questions raised by the participants. Session was informative and educative.

Program begin with prayer by VaishnaviGawde and SharvaniNaik. OffgPrinicpal Dr. M. M. Chikodikar welcome the guest speaker and gave brief introduction about the college.
