### **15.Multidisciplinary / interdisciplinary**

Multidisciplinary approach refers to the addition of the competencies of multiple professionals who stay within the boundaries of their fields, whereas interdisciplinary approach denotes that the various disciplines are coordinated toward a common and coherent approach At present, the institution offers choice-based credit system which includes project work. B. Com. programme offered by the institution consists of courses across disciplines such as Mathematics, Law, Economics, Communication, Environmental Studies, Computer Applications besides Commercerelated courses. The institution thus offers a flexible curriculum under the choice-based credit system in which learners can choose from a range of courses based on their competencies. Students are encouraged to explore inter-disciplinary research areas for their project work during the final year semesters. The institution has proposed a cluster with twelve institutions from South Goa as per instruction of the Directorate of Higher Education (DHE) Goa. This would promote integration of humanities and science with STEM and provide the detail of programs with combinations. The undergraduate degree will be of either a threeor four-year duration, with multiple entry and exit options within this period, with appropriate certifications. The fouryear programme may also lead to a degree with Research, if the student completes a rigorous research project in the major area(s) of study which may be specified by the institution.

#### 16.Academic bank of credits (ABC):

Academic Bank of Credits is a virtual/digital storehouse that contains the information of the credits earned by individual student throughout their learning journey. Goa University and the DHE are in process of developing and monitoring the system for ABC. As a prerequisite, our institution has already started using a centralized Integrated Academic Information Management System (IAIMS) of DHE for different administrative and academic tasks like admission, lecture plan, evaluation, and results. Registration under the ABC to permit its learners to avail the benefit of multiple entries and exit during the chosen programme will be initiated once clear directives are received from Goa University.

#### **17.Skill development:**

Skills such as dynamic learning, problem solving, critical thinking, logical development, and analytical learning through practical circumstances must be learnt and should be prioritized in the educational curriculum. This will aid in students' overall development and alter the existing educational system to one that emphasizes both multidisciplinary and transdisciplinary learning equally. Realizing the importance and the necessity of developing skills among students, the Institution has already started conducting short term certificate courses designed by the institution to increase the employability of the students. Besides under Youth Employment Programme (YEP), an initiative of DHE, a skill development programme of 90 hours is being conducted by the Institution. Resource persons are invited to the Annual Quality Assurance Report of GOA VIDYAPRASARAK MANDAL'S GOPAL GOVIND POY RAITURCAR COLLEGE OF COMMERCE AND ECONOMICS

institution for guest lectures on different topics which helps to enhance knowledge of the students. Environmental consciousness is created in the minds of students through initiatives like cloth bag/paper bag making. The institution promotes the practice of breaking stereotypes related to gender among students. Blood donation camps, Daan Utsav/Joy of Giving Week are being conducted on a regular basis to inculcate positivity amongst the students and create values such as righteous conduct, love, scientific temper, citizenship values, and also life-skills. Days of national importance such as Independence Day, Republic Day are celebrated on a regular basis to imbibe the value of patriotism and nationalism. Some of the faculty members are also associated with NGOs which shows their concern for social issues.

**18.**Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The medium of instruction in the Institution is English. However, many of the faculty often engage lectures in Konkani, the local language. Majority of the students of the Institution are Goan by domicile but they hail from different states across the country. Hindi is therefore a language that is also spoken in the campus. The Institution tries to imbibe in the student community, knowledge of Indian culture and respect for the cultural ethos of the country by organising various programmes such as Saraswati Pooja, Ghumat Aarti Competition etc.

#### 19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Outcomes-based education (OBE) is education in which an emphasis is placed on a clearly articulated idea of what students are expected to know and be able to do, that is, what skills and knowledge they need to have, when they leave the Institution. The Institution makes an effort to understand that a pursuit of knowledge is a life-long activity. The IQAC conducted a workshop on "Course Outcome: Assignment and Attainment", so as to train the faculty on designing of Programme Outcomes (POS); Programme Specific Outcomes (PSOS) and Course Outcomes COS), adoption of Blooms Taxonomy and the assignment matrix for POS and COS.

#### **20.Distance education/online education:**

Online learning employs an online methodology, with students participating in scheduled virtual classes. These classes are overseen digitally by a teacher who also guides students through the online lessons and tasks. Online learning is therefore not location-specific and simply depends on the online accessibility of both students and teachers. On the other hand, in distance learning, students must travel to the study centre after studying and preparing at home. They might occasionally even be required to attend in-person classes or practicals at study centers. During the pandemic the Institution adopted an online mode of teaching-learning. This may be continued in future based on the need. The College recognizes the importance of Distance Education and the need to provide an opportunity to enable students access to education without the necessity of regular classroom attendance. The Institution intends to promote Distance Education through MOOCS.

CURRICULAR ASPECTS				
1.1 - Curricular Planning and Implementation				
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process				
The curriculum of the Goa university to which the institution is affiliated is followed for UG and PG programmes.				
At the end of each semester/ academic year, the subject allocation for faculty members for the next semester and the workload is				

displayed. This gives adequate time to the faculty to prepare for the next semester/academic year.

The faculty upload lecture plans of the courses taught by them on the Integrated Academic Information Management System (IAIMS) of Directorate of Higher Education (DHE) and at the end of each lecture, details of the lectures engaged are uploaded on the IAIMS portal.

During the pandemic, classes were conducted in online, offline as well as hybrid mode. Online classes were conducted using Google Meet and Google Classroom

Faculty of the College have been actively involved in the DISHTAVO (Digital Integrated System of Holistic Teaching and Virtual Orientations) Project, an initiative of the Directorate of Higher Education.

In this, the faculty prepare e-content for different modules of their respective course and present the same via video lectures. Besides this, some of the faculty have worked as coordinators wherein they scrutinize, correct, edit and provide feedback to the participants on the presentations.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Before the commencement of each semester, Goa University notifies an academic calendar which contains the date of commencement, last working day of the semester and dates for semester-end examinations for all the programmes.

The dates of ISA (Intra-Semester Assessment) are decided by the college and are notified at the beginning of the semester. A minimum of two ISAs are conducted for every course. One ISA is in the form of a test and the other is in the form of an assignment, presentation or viva-voce. A third ISA is conducted for those students who are absent due to genuine reasons.

At the end of each semester, SEE (Semester End Examination) is conducted for the First Year and Second Year students by the college. The Final year exams are conducted by the University, but during this year, due to the pandemic, exams were conducted by the college.

### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Advanced learners and academically weak students are identified by the institution and specific guest lectures or workshops are organized to address the needs of the students. The faculty guides the Advanced learners to retain a good academic record. The students approach the faculty for guidance on career options or if they want to appear for any competitive examinations such as CAT, UPSC, PO, GMAT or GRE. They are given guidance to choose appropriate career of their choice. Advanced learners are encouraged to participate in various academic and co-curricular activities such as quiz, elocution, presentation competitions. Such students are also provided with opportunities for leadership and organizational responsibility in different events organized in the institution. Special lectures are conducted to answer queries raised by advanced learners during regular classes. Remedial classes are conducted for academically weak students in specific topics to give personal attention to the students in certain courses such as Commercial Arithmetic, Cost Accounting, Human Resource Management, Object oriented Laboratory and Advertising.

# 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Intra Semester Assessment (ISA) Monitoring Committee conducts the continuous internal evaluation by adhering strictly to the Goa University Ordinances .The assessment pattern and schedule of ISA is intimated to the students at the begining of every semesterto ensure transparency in the system. The time tables are shared on notice boards, google classrooms, by email and on college website.

One of the mode of ISA is a test mode .The test mode of ISA is centralized and a common time-table is prepared. The time tables are shared on notice boards, google classrooms, by email and on college website. Faculty is given liberty to conduct the other ISAs in different modes. Here, the faculty gets an opportunity to use innovative teaching methods such as field study, case study, paper presentations, project based, experiential, participative, flipped classrooms, etc. The defaulters in ISA examinations are notified of the same, and a date for conduct of repeat ISA is scheduled. If students fails to answer any of the ISA thenthey are debarred from answering their SEE as per the Goa University Ordinance.The scores obtained by students are displayed on the notice board within stipulated time as per Goa University Ordinance.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The conduct of internal examination is governed by the respective Ordinances of Goa University for each Programme. The grievance redressal committee is set up every year and informed to the students through notice boards or WhatsAapp class group to ensure transparency in dissemination of information. Intra Semester Assessment (ISA) Monitoring Committee addresses any grievances or verifications, in case of any queries, by the students. The Written grievance, if any, is received by the grievance redressal committee. The process of redressal takes around 3 days to 4 weeks (as per the governing ordinances) to resolve the issue depending on the intensity of the grievance. During the academic year 2020-21, the B.Com. programme received a notification from Goa University for conduct of the third-year exams at the college level and also to allow the students to verify their scores in case of any queries. The self-financed programmes allow enough attempts at their internal examinations. The individual Course Marksheets are prepared by the faculty and counter checked by another faculty, which is further verified by the Examination committee of the institution. The Graded Marksheets are totaled and checked by the Examination committee , before being sent to the Goa University Examination section for further processing.

### 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Programme outcomes and Course outcomes of the institution are clearly stated and displayed on the institution website. The structure of the various Programmes is mentioned in the annual prospectus. At the beginning of the academic year, the programme and course outcomes are explained by the Principal at the orientation programme for the students. The Programme outcomes and Course outcomes for all programmes offered by the institution are communicated to the students by displaying on the institution website. The course outcomes are discussed in detail by the faculty during introduction of the syllabus in the beginning of the semester.

#### 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The performance of students in the examination is used as a measure to evaluate the attainment of Programme outcomes and Course outcomes. The performance of students at the university and college examinations is analyzed. The students progress is monitored during the Intra Semester Assessments (ISA) in the form of tests, quizzes, student presentations, practical assignments, case study reports etc. Different modes of ISA help to evaluate attainment of different elements of course objectives and outcomes. Programme course outlines are stated for every course by the faculty members which define course objectives and details out how the ISAs will be conducted , the ICT tools used for teaching along with a proposed method of evaluation. At the end of the course the faculty provides the details of how the evaluation methodology was completed with the achievement of the course outcomes and competencies.

### **3.2 - Innovation Ecosystem**

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The institution has created an ecosystem for innovations, and encourages faculty to create and transfer knowledge through various research projects and industry academia linkages. Guest lectures have been organised on IPRs for second year B. Com. students. The Research Development Innovation (RDI) Cell & Alumni Cell invited one of the alumni to take a session on 'Use of Technical & Fundamental Analysis in Stock Selection'. The department of B.C.A. organized a webinar on 'Oracle Cloud Infrastructure (OCI)', 'CMS UMBRACO' and a Guest lecture on 'Introduction to Machine Learning'. One of our faculty undertook a research project in Health Economics, viz. 'COVID-19 Booster Dose Hesitancy and its Correlates''. Faculty members from the Department of Commerce, Department of English and Library Sciences are pursuing their doctoral research. The final year B.C.A. students undertook technology based innovative projects having commercial applications, thereby transforming their classroom learning, into practical skills useful for them in the job market. Annual quizzes, guest lectures by industry experts, webinars for students have helped them to enhance their problem-solving skills and cognitive thinking abilities.

# **3.4 - Extension Activities**

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The NSS unit, NCC unit, Women's Cell and Alumni Cell of the institution are always proactive in providing extension services to the society. Our NCC cadets have taken part in Central government social welfare campaigns like EK Bharat Shreshth Bharat, Fit India, Swachh Bharat and Swasth Bharat. Our student volunteers visit old aged homes, celebrate Raksha Bandhan by tying Rakhis to Army Jawans from the 6TTR Military Camp in Ponda. Blood donation camps are regularly held by our NSS unit in collaboration with Blood Bank, Goa Medical College, Bambolim, Goa and students participate actively towards this noble cause. The Gender Sensitisation Cell also conducts talks and programs on Health and hygiene among girls and matters related to gender. In this manner extension activities and outreach programs have sensitized our students towards social issues and helped them to be aware of their causes and consequences. Under the Bharat ki Azadi ka Amrut Mahotsav all our teachers completed 75 hours of extension services viz. cleaning of nearby temples, giving Career Guidance talks to the students of Higher secondaries in the neighbourhood, consultancy, sessions on Entrepreneurship, Yoga and Value Education, paper bags, office data entry work for an Orphanage etc.

## 4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

- G.V.M.'s Gopal Govind Poy Raiturcar College library has been using NewGenLib ILMS developed by Verus Solutions Private Limited, Hyderabad since January 2005.
- The NewGenLib ILMS version used for the year 2020-2021 is NGL Core Engine Version 3.2 - Helium (abbreviated as "NGL EE Helium v3.2"). The NewGenLib Annual Maintenance Contract (AMC) for the year 2020-2021 amounted to Rs. 14,160/- .
- The library is fully automated since 2014 and all the modules of the NewGenLib ILMS are active. The modulesinclude Technical Processing, Circulation, Acquisitions, and Serials Management. Others modules include OPAC, Administration, Utilities, and Queries.
- In addition, the 'visitors counter' of the NewGenLib ILMS captures the footfalls of the library users through the barcode scanner by scanning the barcode on the student's Identity cards and records all the user's data such as name, admission number, entry/exit time, etc. This data is used in compiling necessary statistical reports.
- The College OPAC can be accessed via the college wi-fi

(LAN). Similarly, WebOPAC can be accessed anywhere in the world with a private internet connection. The total OPAC & WebOPAC usage during the period 2020-2021 stood at 22,991 views/searches by the library users.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Maintaining Physical, Academic, and Support Facilities

The physical, academic, and support facilities for B. Com and Self Financing Courses (B.C.A. and M. Com.) are maintained through Government Grants and Self Financing Funds respectively. Any repairs (minor or major) are reported to the Principal by the Incharge of the facility. If any faculty or student experiences any problem with the facility, he has to report to the In-charge or to the Principal or write a complaint and put it in to the complaint box kept for the purpose. The classroom cleaning is done by the Multi Tasking Staff as allotted.

Utilizing Physical, Academic and Support Facilities

The college gives orientation to the B. Com, B.C.A., and M. Com students on Physical, Academic, and Support Facilities at the beginning of the academic year. The faculty, in the orientation, highlights the procedure to be followed for the utilization of the facilities. For instance, the students have to approach the Incharge of the facility.

elected members along with the teachers in consultation with the Principal, draw an outline for conducting various activities which remain directed towards the overall betterment and development of student community as well as the institution.

The convenors of Students' Council and Cultural Association along with the committee members and student representatives finalize the plan of activities for the year. The students constitute the main organizing body for these activities. They are involved right from planning the activities till its execution. Sometimes the students even arrange for the sponsorship for conducting certain programmes. They are given an opportunity to represent on certain committees like IQAC, Committee for Prevention of Sexual Harassment and Bakibab Borkar Civic Club.

The yearly activities include Mosaic (a fun filled festival which is a fusion of interclass competitions covering Fashion Show, dance along with various Off-stage events), College Tour, Singing Competition and various other competitions. These activities certainly facilitate in developing the students' potential thereby enhancing their level of confidence.

#### GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision: To make the institution a center of excellence in education and enable the students to take up responsible positions in the society mission. Annual Quality Assurance Report of GOA VIDYAPRASARAK MANDAL'S GOPAL GOVIND POY RAITURCAR COLLEGE OF COMMERCE AND ECONOMICS

Mission: To make Higher Education accessible to students especially from rural areas in and around Ponda taluka and to empower them with knowledge, skills, competencies and values to make them ideal citizens of a country.

The Mission of the Institution is to make it a center of excellence in education. To meet this end, the institution makes the teaching learning process learner-centric. Remedial classes with special attention to academically weak learners are conducted. Extra reading material is also provided to students. To develop skills and competencies, workshops, courses, training sessions etc are conducted. To imbibe a sense of responsibility, students are made members of various committees. To make education accessible to rural students, the institution provides welfare facilities such as Scholarships and Book bank facility. The admission procedure is as per government norms, which provides equal opportunity of admission to all the students, irrespective of caste, religion or gender. To develop human qualities and values, to make students an instrument of change, outreach-cumextension programs are organized.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralization and participative management is the cornerstone of effective progressive management. The institution adopts a decentralized approach wherein faculty members are appointed as conveners, coordinators of various committees, events, seminars, workshops and other college activities. Student representatives are included in some committees. The creativity, imagination and knowledge of faculty and students helps to conduct the activities successfully. This has created a sense of involvement and participation among the faculty and students. The local managing committee too is constituted and kept abreast of the activities of the Institution keeping in mind participative management. Discretionary powers are given by the Principal to the Head of Department, conveners and committees to function with freedom and creativity.

#### 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Considering the pandemic situation for the year 20-21, the institution devised a student centric strategic plan of guiding the students towards a path of self sufficiency. Even with the curbs on free movement, a Commerce student can learn and earn at the same time. The institution planned various awareness and training programmes related to financial literacy and Information technology.

Accordingly in the year 2021-22, the institution organised state level webinar on Practical aspects of Future and Option trading. At the institutional level, sessions on financial education for young citizens, fundamental analysis in stock selection, E filing of income tax returns and such were conducted for students. The institutions also conducted training programmes to create an awareness about banking and insurance sectors and to further career in these sectors.

In addition to financial literacy, the institution also organised computer courses where students were given the training on MS office and tally, digital soft skills, digital marketing with web designing, Oracle cloud infrastructure etc. The institution plans to continue with the same in the next academic year.

#### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The Covid 19 pandemic is still prevailing. Teaching learning process is carried out in uncertain times. There is need to adopt different modes (online, offline, hybrid) according to the Covid 19 situation. There is frequent switch over of teaching learning modes due to surge or decline in number of Covid cases in the State and the situation prevailing at the institution. This makes teaching learning process cumbersome. The institution continues to grapple with poor network connectivity issues on the demand and supply side this adds to the woes related to teaching learning process. Amidst the gloomy and hazy environment, the faculty, nonteaching staff and students put up a brave front and are learning to adapt to the "New Normal" way of life on the campus. The faculty continue regular teaching, evaluation with the same vigour as in the past. Faculty continue to participate in webinars, faculty development programmes.Webinars are also organized by the institution. Outreach programmes are beginning to resurface. The institution continues to be sensitive to local entrepreneurs, provides them a platform to sell their product, helps them tide over their economic crisis. With mass vaccination target drive of the Government fulfilled, the institution is poised to bounce back.
