NOTICE

National Mathematics Day – Sudoku Competition

National Mathematics Day is celebrated on **22 December** to honour the birth of **Srinivasa Ramanujan**, one of India's greatest mathematical geniuses.

To mark this occasion, the Department of Mathematics and Statistics is organising a **Sudoku Competition**. The event aims to promote logical thinking, problem-solving skills and appreciation for recreational mathematics among students.

The competition is open to all students.

Rules of the Competition

1. Each participant will receive one standard Sudoku puzzle.
2. Time limit is 45 minutes.
3. Use of mobile phones, calculators or reference materials is strictly prohibited.
4. Participants must fill in all cells following Sudoku rules for a 6×6 grid:
Numbers 1–6 should appear once in each row, column, and 2×3 sub-grid.
5. The winner will be chosen based on accuracy and minimum completion time.
6. In case no participant completes the puzzle, the one with the highest correct entries will be declared the winner.
7. The decision of the judges will be final.

Interested participants may give their names to **Assistant Professor Nagraj Virnodkar** on or before Monday, **15th December 2025**.

The time and venue for the competition will be intimated later.

All students are encouraged to participate and showcase their logical reasoning abilities.
