MISSION

To impart quality education to students to enable them to face global challenges and mould them to be socially responsible citizens.

ABOUT COLLEGE

GOA VIDYAPRASARAK MANDAL, our parent institution, was founded by three visionaries Late Dr. Dada Vaidya, Late Shri Sitaram V. Kerkar and Late Shri Vinayak R. Bhat Sarjyotishi on 2nd October, 1911. Antonio Jose de Almeida High School was its first institution in Ponda town. A. J. de Almeida High School was the centre of nationalist activities till the liberation of Goa on 19th December 1961 and thus has a long list of freedom fighters as their alumni.

In the post-liberation era (1962 to 1965), the Mandal founded four more schools in Bandora, Savoi Vere, Bori and Khandepar villages of Ponda taluka. The Mandal set up G. V. M.'s Smt. Nelly Joildo Aguiar Higher Secondary School and a Primary and K. G. School in Ponda in 1975.

In 1985, Goa University came into existence and on 12th June 1986, Goa Vidyaprasarak Mandal's College of Commerce & Economics became a reality to cater to the demands of students wanting to pursue a degree in commerce faculty. On 13th March 1994, the College was named after Late Gopal Govind Poy Raiturcar.

In 1993, the Mandal set up Dr. Dada Vaidya College of Education in Ponda. In order to provide an opportunity to the students, G. V. M.'s Gopal Govind Poy Raiturcar College of Commerce & Economics started the Bachelor of Computer Applications Course in 2002, and the Master of Commerce Programme was started in 2008. The College was started with around 300 students, three classrooms and a handful of teaching and non-teaching faculty in Ponda town.

In 2000, the College moved to a spacious and green landscape at Farmagudi. The College now has spacious classrooms, an independent library building, well-equipped

computer laboratories and audio-visual facilities. The College is accredited with a "B++" grade (2.99 CGPA score, 3rd cycle) by the NAAC. The College emphasizes academic excellence and is keen to strengthen the all-round development of the student community. Various academic activities like seminars, workshops, conferences, and guest lectures are organized for the students throughout the academic calendar. Sports and cultural activities are organized to develop team spirit and leadership qualities.

The College has a sports policy where the outstanding performers are given scholarships and monetary awards. The College promotes co-curricular and extracurricular activities through a number of associations and clubs.

Thus, the College nurtures and encourages lively, enriching and healthy student-teacher interactions through various academic activities to promote academic excellence, merit and eminence.

The College has been recognized as a Cluster Research Centre in Economics for Ph.D. Course in Economics from 27th July 2021.
