Home Décor from Waste Materials Competition

The Institution's Innovation Council (IIC) and Internal Quality Assurance Cell (IQAC) of the college are organizing a **Home Décor from Waste Materials Competition** as part of the **World Nature Conservation Day** celebrations.

The competition aims to foster **creativity, innovation and environmental responsibility** by encouraging students to transform discarded materials into attractive, functional and sustainable home décor items.

Theme: Transforming Waste into Beautiful Home Décor

Rules and Guidelines

1. The competition is open to all students of the college.
2. Participation may be **individual** or in **teams of up to two members**.
3. Only **one entry** is permitted per participant/team.
4. Participants must design and create an innovative, functional and aesthetically appealing home décor item using discarded, recycled or upcycled materials.
5. Suitable materials include, but are not limited to:
 - Plastic bottles and containers
 - Cardboard and paper
 - Glass bottles and jars
 - Tin or aluminium cans
 - Fabric scraps and old clothing
 - Coconut shells, bamboo, jute and other natural waste materials
 - Newspapers, magazines and packaging materials
6. The completed décor item must be suitable for indoor use, safe to handle and sturdy.
7. Each participant/team must submit:
 - The completed home décor item.
 - A brief write-up containing: Title of the creation, Materials used, Source of the waste materials, Description of the making process, Environmental significance of the product.
8. Judging Criteria: Creativity and originality, Effective use of waste materials, Aesthetic appeal and craftsmanship, Functionality and durability, Environmental message and presentation
9. The decision of the judges shall be final and binding.

Students interested in participating are requested to register their names with Ms. Gauri Shirodkar, Convenor, IIC on or before 20th July 2026.

Submission of completed décor items: Monday, 27th July 2026 on or before 12:00 noon. Exhibition of all entries: Tuesday, 28th July 2026.

"Let creativity inspire sustainability – transform waste into beautiful home décor and contribute to a greener future!"
